BUP eLearning System

Step-1: Login into system using **username** and **password**

Step-2: Click on a subject which you want.

The screenshot displays the course selection interface. On the left, two course kits are listed:

- Course Kit: Programming in C**
Published | 0% complete
This is a course template which is to be used as the course kit for the teachers..
- Course Kit: Python Programming** (highlighted with a red border)
Published | 0% complete
Python Programming Course for Beginners.

On the right sidebar, the status is "No upcoming activities due". Under "Private files", it says "No files available" and "Manage private files...". Under "Online users", it shows "2 online users (last 5 minutes)" with two entries for "Saddam Hossain".

Step-3: Click on **Forum** section

The screenshot shows the course content page. At the top, it displays "Course Content" and "Course start date: 12/10/20" and "Category: Course Kit". Below this, there is a "Your progress" indicator. The course content is organized into a list of sections, each with a dropdown arrow:

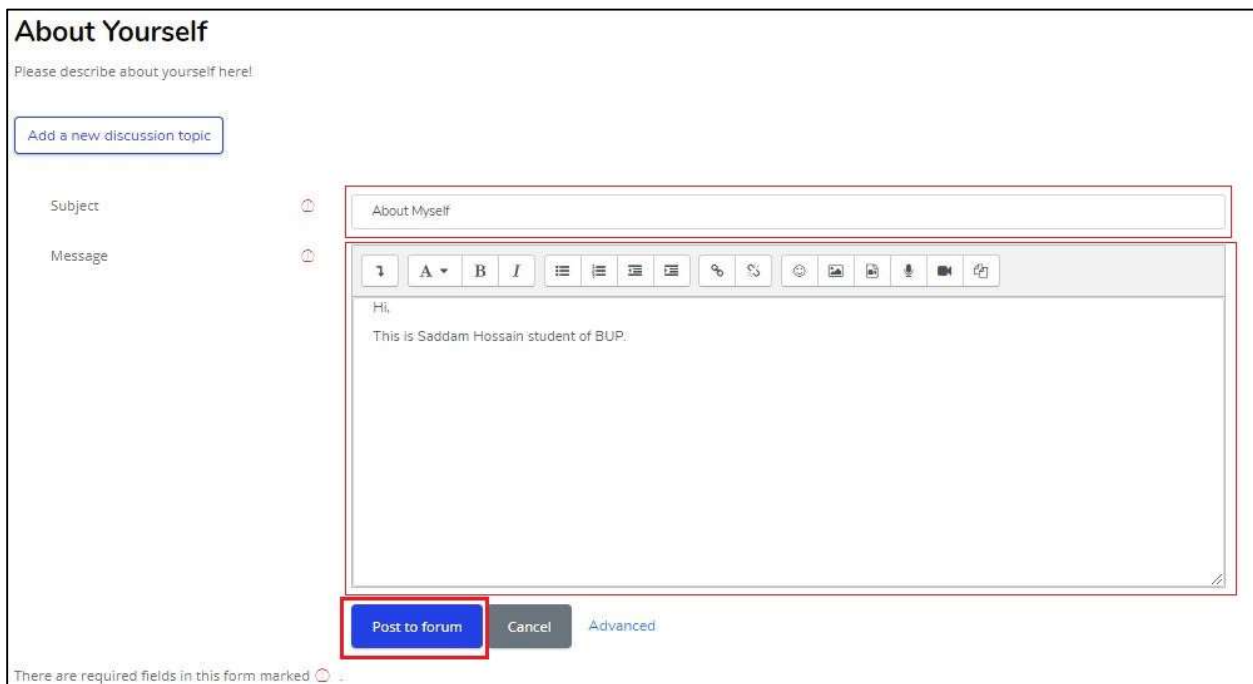

- General
- Course Feedback
- Assignment-01 | 01-Nov-2020 to 15-Nov-2020
- 11 Feb - 20 Feb
- Quizzes
- Forum** (highlighted with a red border)

Step-4: Click on **Add a new discussion topic** button.

Step-5: Write **subject** and **message** then click on **Post a forum** button.

And then you look like this
